

# TENNIS COURT USAGE POLICY

Effective September 1, 2013

## PRIME TIME COURT RESERVATIONS

Tennis members may make two reservations for prime time tennis courts Monday through Sunday. Tennis members can start booking the prime time reservations for the following week as they play off the reservations for the existing week. Members may make or play additional times on the prime time courts during the existing week for an additional charge of \$10.00 per time.

Tennis members may make reservations for non-prime time courts 48-hours in advance. Check with front desk or on tennis information board for those court times. A tennis member may only have their name on the schedule for prime time or non-prime time court reservations three times at once. As they play off the courts they may book additional prime time or non-prime time tennis courts.

## SAME DAY RESERVATIONS

Tennis members can make a same day reservation without any effect of their advance court reservations. Same day reservations can be made 8:00pm the day before. There is no cost for same day reservations.

Please be courteous of your fellow tennis members and cancel courts well in advance if you are not going to be able to play. We know that occasionally things happen; school closure, bad weather, ect. may contribute to a no show and we will do our best to take that into consideration.

*We do reserve the right to apply a \$20.00 charge if cancellations are not made by 5:00pm the day before.*
